One **CAN** Make a Difference!

WAFCU partnered with the Greater Washington County Food Bank for a Food Drive on Thursday, May 28. Food and financial donations were accepted at the Credit Union throughout the month to support the “One CAN Make a Difference” fundraising campaign. Thanks to the overwhelming generosity of our members, employees, and the community, the Credit Union collected over \$500 in monetary donations and a record breaking 867 pounds of food!!

Special thanks to Tanya Kief for coordinating the event and to all who participated in the Fight Against Hunger in Washington County.

Sponsor-A-Classroom: Spring 2020 Winner

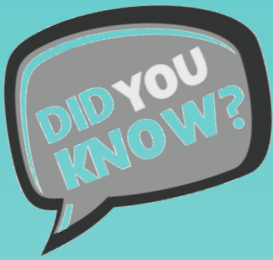

Congratulations to our first two-time Sponsor-A-Classroom winner, Stephanie Johnson of Trinity East Elementary! Stephanie and the Second Grade Teachers will use the grant money to fund their aquaponics project.

What is aquaponics? It's a system of aquaculture in which the waste produced by farmed fish or other aquatic animals supplies nutrients for plants grown hydroponically, which in turn purifies the water.

The second grade students will study a natural ecosystem and learn about the relationship between water, aquatic life, bacteria, nutrients, and plants.

The ultimate goal of the project is to effectively grow vegetables and provide healthy snacks to students in need. We are proud to support this inspiring initiative!

The lobby at Meadows Landing is now open! Appointments are recommended but no longer required. For your health and safety and that of our employees, you must wear a mask and maintain social distancing while inside the branch. Plastic shields are in place at all teller stations and surfaces are sanitized after each member interaction.

We continue to encourage contact-less banking channels including online and mobile banking, ATM and drive-up service at Meadows Landing, and Night Depositories at both locations. Loan applications can also be submitted electronically via our website.

If you are experiencing financial hardship due to COVID-19, please contact us to discuss potential solutions for payment assistance. We are here for you!
