*This program is not available on better choice loans, home equity products, credit cards, mortgages, or loans less than six months old. Only one payment can be skipped per eligible loan. There is a fee of \$40 per loan skipped. Normal finance charges will continue to accrue during the Skip-a-Payment period and will be payable with your last payment. This Skip-a-Payment offer will result in your loan term being extended for one month. Additional limitations may apply. If your loan payment is set up to automatically be deducted by direct deposit, payroll deduction, automatic transfer, or ACH, the amount that would normally be applied to your loan payment will remain in your savings account or share draft account at WAFCU. We are federally chartered as Washington Area Teachers FCU. WAFCU reserves the right to refuse any Skip-A-Payment request and will advise you only if your request is denied.
